Everyone needs a holiday, but not everyone gets one. APS Breakaway 2000 can change this by enabling people who need support on holiday to have the same opportunities as the whole community. They organise tailor-made holidays at affordable prices for older people, for people with mental ill health and for those with a learning disability. Specially recruited, trained and approved volunteers provide round the clock assistance to the holiday makers.

**Note:** This organisation does not provide door to door transport.
